SPECIAL NOTES: As a new homeowner in Bronco, you will automatically become a member of the Bronco Community Association. Details about fees and other costs of homeownership in Bronco are available from your sales associate. See Bronco Community Association Assessment Outline. Due to Camelot Homes' ongoing program of housing research, and due to the continual possibility of material shortages, there may be existing or future changes made in the floor plans, specifications, building products, materials, methods or designs used in our homes that are not reflected in this handout or our models. In addition, special wall and window treatments, upgraded flooring, additional landscaping, custom designed walks and patio treatments, and many other items featured in and around the model homes are decorator items and items not specifically listed as an included feature should be considered an option and not included in the base price. Please consult our sales associate if you have any questions about included features. Subject to change without notice.
